PRESIDING OFFICER GREGORY HONORS 15th LEGISLATIVE DISTRICT'S 'WOMAN OF DISTINCTION'

Amityville, NY – Suffolk County Legislature Presiding Officer DuWayne Gregory honored Phyllis Henry of Wyandanch as the 15th Legislative District's "Woman of Distinction" on Friday, March 22 at the Suffolk County Legislature in Hauppauge.

March is Women's History Month, and as part of the annual celebration, each of Suffolk County's 18 legislators named one woman from his/her district as a "Woman of Distinction" for demonstrating leadership, involvement and commitment to her community. The Suffolk County Women's Advisory Commission then chose a county-wide winner from the 18 honorees.

Phyllis Henry, a longtime resident of the hamlet of Wyandanch, is a staunch community advocate and an active member of several community organizations including the National Night Out Committee. She also serves as president of Wyandanch Mothers for Change.

"Suffolk County is proud to acknowledge these extraordinary women who contribute to our community," said Presiding Officer Gregory. "Phyllis Henry is well known throughout Wyandanch and is regarded as a reliable and dedicated resident. Her tireless volunteerism is a valuable asset to the 15th district."
